

CTA group general talk

Wednesday, 15 July 2026 13:50 (15 minutes)

Cherenkov Telescope Array Observatory (CTAO) is the next-generation very-high-energy gamma-ray observatory. Our group has been contributing to the commissioning of the telescopes since years. In this presentation, we report activities of our group and the status of the CTAO commissioning and construction.

Presenter: NOZAKI, Seiya (ICRR)

Session Classification: Session 3
