Floor Plan of Kashiwa-no-ha
Conference Center

Your presentations and files

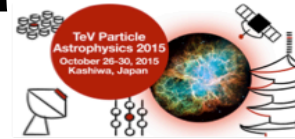

- Thanks to many contributions, the time schedule is very tight, especially in the parallel sessions,
- use the equipped conference computers (mac)
- Upload your presentations (PDF- format) to the TeVPA indico web page before the session
- Only in the plenary sessions we can make the exceptions (PowerPoint/Keynote/Own Laptop ...)
- If you are not familiar/in trouble with uploading the files, please contact to us (the LOC – blue string, conference assistants – red string)
