

A large red circle containing the event title and dates. The text is white and bold. The background of the entire slide features a central image of a colorful nebula, surrounded by various scientific icons: a cluster of circles (top left), a satellite (top right), a radio telescope (bottom left), a vertical chain of circles (bottom center), and a series of curved lines (bottom right).

TeV Particle Astrophysics 2015

October 26-30, 2015
Kashiwa, Japan
