

# Dark matter searches in the 2020s - At the crossroads of the WIMP

## Tuesday 12 November 2019

### DM Astrophysics (13:30-15:00)

-Conveners: Kohei Hayashi

time	[id] title	presenter
13:30	[83] Paradigms and Scenarios for the Dark Matter	Prof. SALUCCI, Paolo
14:00	[46] The Dark Matter distribution of the Milky Way (its astrophysical uncertainties and effects on determination of physics beyond the standard model)	Prof. IOCCO, Fabio
14:30	[64] Varieties of DM density profile in Galactic dwarf spheroidal galaxies and the gamma-ray search of the annihilation signature	Dr HIROSHIMA, Nagisa
