

Dark matter searches in the 2020s - At the crossroads of the WIMP

Wednesday 13 November 2019

Focused Session: Charged particles (13:30-15:00)

-Conveners: Moritz Hütten

time	[id] title	presenter
13:30	[55] Recent Results and Dark Matter Search with CALET on the ISS	ASAOKA, Yoichi
14:00	[78] Propagation processes of cosmic rays	OHIRA, Yutaka
14:30	[80] Constraints on cosmic ray propagation and magnetic fields using gamma-ray observations	Dr LÓPEZ-COTO, Rubén
